

Beardall Rocks 2025 - Mathletics/TTRS Competition
STARTING IN 7 DAYS!

Tuesday 18TH November – Friday 21st November

Times table and number fact retrieval are essential in supporting achievement in mathematics. That's why we are excited to announce 'Beardall Rocks 2025' - our TTRS and Mathletics competition for this autumn term.

There will be:

- Daily competition updates
- Individual prize/certificate winners
- Overall individual/class winners

The competition hours will run 7:00am - 8:30pm and the children will be limited to 90 minutes of participation per day.

The competition will run almost parallel to the “England Rocks” national competition, so we will also be updating the children on where we stand nationally.

Please encourage your children to take part as this will help to strengthen their core mathematical knowledge!

Thank you for your support (LET’S ROCK!)

Mr Sellers - Maths Lead
