Thank you, afternoon tea, for community volunteers.
- **Thursday 24th July 2pm: Year 6 Leavers assembly**

Reports

Reports will be sent home with the children this coming Monday, 14th July. Please note that reports may look a little different this year as individual statements for subjects have been removed and replaced with a teacher judgement of the curriculum subject as a whole. General progress, attendance and summative assessment data is given to you as normal.

If you wish to discuss your child's report with a teacher at the school, appointments can be made on either Wednesday 16th or Wednesday 23rd July after school or at a different time in agreement with the staff member.

There is a form to return to school acknowledging that you have received your child's report. Please return this sheet to school by Thursday 24th July 2025.

Broadening Horizons

Our annual Broadening Horizons Week gave our opportunity for all children to raise our aspirations through exploring different career paths, empowered them to make decisions about their own future and focused on the different skills needed to be successful in the wider world. This has built on our whole school character education programme, where children have developed important like skills and personal traits.

By the end of the week the aims were for children to:

- Name *different careers open to them*
- Name *different skills needed to be successful in these jobs*
- Try *something they have never tried before*
- Explain *how they have showed determination, resilience and courage this week*

This was achieved by welcoming to our school:

- A vast array of different careers (Boots, Formula 1, Church, Fire Service, Severn Trent, Acting, Entertainment, Artist)
- A myriad of activities and experiences (Circus entertainer, Climbing Wall, Art project, sport coaching)
- Sam Oldham, GB 2012 bronze medallist, who gave an inspirational talk to the children about achieving goals no one else thought possible.

. The children certainly enjoyed it and our attendance was one of our highest across the year. Photos are currently available on individual ClassDojo pages but we will share a link to our website for this in the coming week.

Wear It Wild Day – WWF Fundraiser

To complete our Broadening Horizons Week, the children in school voted to hold a fundraising day for the World Life Fund for Nature (WWF). Our whole school community truly came together to support this fantastic cause. Our classes put together class hampers which were raffled off, we took part in a 'Guess the Panda' sponsored form and held a non-uniform day, animal themed, to further raise awareness and funds. We had some terrific costumes, large and small, from both the children and staff!!

Our children as usual showed their caring and empathetic nature in learning about how we can protect the world for both themselves and future generations to come.

We raised an incredible £831.50 for WWF and just as importantly raised awareness among our school community for the pressing need for conservation.

Parent Governor

We have a vacancy for a parent governor. Please see DOJO for more information and contact us if you would like to discuss further.

Rounders

A group shot from our final rounders club – the year 5 children have been amazing and have really enjoyed it.

Memorial Garden

Last Friday our memorial garden for Mrs Mather was officially opened by her family. After such a tragedy it was wonderful to welcome her family and close friends into school on her birthday. As a staff team, once again we have come together and this has given us all the chance to breathe and move forward with fewer tears and more joyful memories. The Year 6 children made some amazing cards and decorations for the event and we hope all the children are enjoying it as much as we are this week, in the warm weather.

If you think you may qualify for free school meals please check and register using this link - <https://www.nottinghamshire.gov.uk/education/school-meals/free-school-meals-and-milk>
Although all children in Reception - Year 2 get a free school meal this is an additional benefit and you would need to register to get a HAF code.
Please contact us if you require any further information.
(If you have already registered no need to re-apply)

Nottinghamshire County Council's post

 Nottinghamshire County Council
June 23 at 12:01 PM · 🌐

Just one week to go until HAF bookings open for summer 🍌

If your child is eligible for benefits-related free school meals, did you know they can also enjoy fully funded activities during the school holidays?

There is also a free meal for each activity session!... [See more](#)

A colorful poster for 'Summer' in Nottinghamshire. The word 'Summer' is written in large, green, bubbly letters. Above the 'S' is a butterfly, and above the 'm' is a daisy. A bee is flying below the 'm'. To the right of the word is a colorful ice cream cone. Below the word, it says 'Nottinghamshire'. Underneath that, it says 'Get involved in fun activities this school holiday!'. At the bottom left, there are several icons: a soccer ball, a fork and knife, a hand holding a paint palette, a hand holding a pencil, and a hand holding a book. A speech bubble next to these icons says 'Plus so much more'. At the bottom right, there are logos for 'Nottinghamshire County Council' and 'Department for Education', with the text 'Funded by' above the latter.
