Another academic year has come to an end and we are very proud of what your children have achieved over the past year. We are lucky to work here teaching such wonderful pupils. It was lovely to have the school come together this morning for our end-of-year assembly where we said farewell to Mrs Howarth, Mrs Beard, Mr Allsopp, a number of pupils across school whose last day was today and our marvellous Y6s. We wish them all the very best in the exciting times that lay ahead for them.

Please note that on Wednesday 3rd September and Thursday 4th September there will be an opportunity to meet the new members of staff for your child[ren] upon collection at 3:15pm. This will be in new classrooms where the new staff members will have opportunity to introduce themselves to you and share any information.

On behalf of all the staff here, thank you for all your support over the past academic year. Have a safe holiday and for those that are returning we look forward to seeing you on Wednesday 3rd September.

Parents and Teachers Association (PTA)

A huge thank you to all our wonderful members of the PTA who have given their time up for the school this year. We have resurrected the PTA after a short hiatus so it has been wonderful to see us accomplish so much in such a short space of time. All of the various fayres and sales would not have taken place without hours and hours behind the scenes so a huge thank you to all of you.

The PTA agreed to fund the Year 6 leavers trip this week to the Arc Cinema as well as pay for a special pizza treat afterwards.

Summer Reading Challenge

If they are interested in reading over the summer, there is the summer reading challenge, which takes place again this year. Here is a video all about it. <https://www.youtube.com/watch?v=iwJkib2pecc>

You can normally register online or at the local library.

Goodbyes

Today we say Goodbye to Mrs Howarth & Mrs Beard who are both retiring and Mr Allsopp who is starting a new adventure at a different school. We wish them all well, and hope they keep in touch. In September we welcome new staff, Miss Daft (Year 5 teacher) Miss Simm (Reception teacher) and Mrs Snowdon (EYFS & KS1 TA).

French Day

Last Friday children across school learnt all about Bastille Day – a special day in the French national calendar. Across the day in different year groups children made Eiffel Towers, tried food, sang nursery rhymes and learned all about French culture. On espere qu'ils se sont bien amuses!

Thank you to Miss Plaskitt, as French subject leader, for organising the day

Parent Pay

Please ensure all accounts are in credit, and all debts paid before the start of the new school year in September. A reminder that you can pre-book and pay for school meals and breakfast/after school clubs (if you are registered).

Class DOJO

All children will be moved to their new classes during the inset day/early in the start of the new school year. Please bear with us and you should then be able to view the new class and contact the teaching staff.

Water Safety – please stay safe this summer!

As we approach the end of the summer term, it is important to us to make sure that all of our pupils have an enjoyable, but most of all safe summer holiday. Every year around 312 people drown, on average that's one person every 22hrs, and drowning significantly increases during the summer holiday period, with teenaged and young adult males being most at risk. To help our pupils to make good decisions about their own safety in the holidays many of our pupils have been learning about drowning prevention, and the RLSS UK, the drowning prevention charity, have asked us to share these important water safety tips with you to help you and your family to stay safe this summer:

1. Make sure your children know how to swim and basic water safety skills. The holidays are a great time to have some catch up lessons or join a Rookie Lifeguard or lifeguards, or lifeguards trained to UK standards. If possible, only swim where there are lifeguards. Keep children under constant supervision, it only takes a few seconds to drown, and the lifeguards have a lot more people to supervise than you do.
2. Lakes, quarries, rivers and reservoirs These water sites claim many lives during the summer months, largely due to the water temperatures remaining very cold once you are slightly away from the edge. Never swim at these locations unless it is part of a regulated outdoor activity.
3. Follow the Water Safety Code whenever you are around water:
 - Stop and think - look for the dangers, always read the signs
 - Stay Together - Never swim alone. Always go with friends and family

Just one week to go until HAF bookings open for summer 🍌

If your child is eligible for benefits-related free school meals, did you know they can also enjoy fully funded activities during the school holidays?

There is also a free meal for each activity session!... [See more](#)

A colorful poster for 'Summer' in Nottinghamshire. The word 'Summer' is written in large, green, bubbly letters. Above the 'S' is an orange butterfly, and above the 'm' is a white daisy. A bee is flying below the 'm'. To the right of the word is a pink and orange ice cream bar. Below the word, it says 'Nottinghamshire'. Underneath that, it says 'Get involved in fun activities this school holiday!'. There are several icons: a soccer ball, a fork and knife, a robot, a speech bubble with a gear, and a speech bubble with a recycling symbol. A green speech bubble says 'Plus so much more'. At the bottom, there are logos for Nottinghamshire County Council and the Department for Education, with the text 'Funded by'.
