

Playground Equipment -

We are so thrilled with our playground, recently completed by [Playtime By Fawns](#), and wanted to say a huge thank you to everyone involved in helping us achieve this amazing new playground for the pupils of Beardall Fields Primary School. As you can see, the transformation from the original area of grass (often waterlogged!) to the new play space has been incredible.

The new play area is a huge hit with all the children, with its variety of physical activity and sensory development; ensuring the children will have fun, active break times all year round.

We are extremely grateful to everyone who has contributed to our new school playground, safe in the knowledge it will be enjoyed by the pupils of Beardall Fields Primary School for many years to come.
