Year 3 -

Year 3 had their meeting this week to discuss the upcoming residential. If you were unable to attend all information can be found on Class Dojo.

Year 2 –

Year 2 are currently studying Kenya as their topic and were lucky enough to have one of the children's family members come in to talk about the country they grew up in. They spoke about how they walked miles to school with no shoes on, had no electricity or water but a happy childhood with lots of good memories. The children learned so much about his dedication to education and support through humanitarian support. They learnt some of the song "You can get if you really want" by Jimmy Cliff to represent the power of hard work and how you can do anything you put your mind to.

Year 1 –

Year 1 tried out Times Table Rock Stars this week. TTRS is an app that we use for times tables from Year 2. It's a fun way of learning Maths and the children enjoy the challenges on it. Year 1 really enjoyed it and have their log ins if they want to access it from home.
