Reception Class

The children and staff in Reception would like to say a big thank you to our parents from Nottingham City Transport who visited our school this week so we could have our very own bus visit. The children thoroughly enjoyed learning about electric buses and discovering what it takes to become a bus driver in the future. They also kindly gave the children some sweets, a colouring sheet and a 3D model of a Nottingham City Transport bus. Thank you to Nottingham City Transport for supporting our Community topic in Reception.

Year 5

Year 5 showed fantastic social confidence presenting an assembly to the whole school on Martin Luther King Junior. They did amazingly well remembering their lines and speaking clearly. They spent time discussing their dreams for a better world, and the care that went into the children's responses was wonderful.

Next Level Sports Competitions

This week a team of year 5 girls competed in a Basketball Competition at National Primary School. They played amazing well together and represented the school beautifully. Well done to all who took part, and congratulations on placing 2nd!

Commando Joe

Commando Joe is currently working with our Reception, Year 3, 4 & 6 classes over the 2 days that he works with us. The children always enjoy these sessions and describe them as both fun and challenging. They work well in teams, using good communication and showing resilience and perseverance. They show great enthusiasm and support their teams throughout. In the summer term, we will be inviting parents to watch a Commando Joe session so watch this space!

Residential Trips

This week children from Year 3 & 4 were sent home with letters regarding their upcoming residential. A copy can also be found on Class Dojo pages. Payments can be made through Parent Pay and if you require any further information, please contact class teachers or the office. Year 6 are looking forward to the first residential of this calendar year in March.
