Wednesday 10th June

Dear Parents and Carers,

Mixing Classes

As we have in previous years, we will be compiling new class lists for the 2026-2027 academic year. This is so we can ensure that classes are well balanced and ensure the positive progress and wellbeing of each child.

Rationale for our school decision to mix classes can be found on our website here.

[Beardall Fields Primary & Nursery School - Mixed Classes](#)

Today we discussed with the children in assembly the process and what constitutes a good learning friend.

Friendship Choices

Children may choose up to five other children from their year group to write on their friendship form.

Please complete the attached form with your child and return this to your class teacher by Monday 15th June. Pupils will complete this form in school without parental input if no form is returned by this date.

Twins/Siblings

We do not have a blanket policy about separating or keeping twins or siblings in the same year group together. Every family is different and we consider children as individuals. We will work with families to make the best decision for each child and recognise that this may change as children grow older.

Process of Compiling Class Lists

Arrangements for new class lists are based on the professional judgements of staff with the final decisions made by the senior leadership team. Discussions between teaching staff will be dedicated to making the best combinations possible and will consider the best interests of individual children, classes and year groups.

Children and parents will be informed of their new class on Monday 29th June in advance of our whole school transition day on Thursday 2nd July.

Please get in contact if you have any initial questions or queries.

Miss. Collins and Mr. Drayton

Friendship Form

Name:

Class:

You may choose up to five other children in your year group you would like to share a class with next year. You may choose fewer than five but please note that putting one name is not a guarantee you will be placed with that child. Staff will use this as part of the process of putting together class lists for the next academic year.
