Water Safety

This week we had an assembly on water Safety from the Notts swimming service. Please see information below that has been shared by the Nottinghamshire Fire & Rescue Service.

Stay Safe Around Water

Recent local and national incidents highlight the very real dangers of open water. Whether at rivers, lakes, canals or the coast, cold water and hidden hazards can be life-threatening. The key risks to be aware of are:

- Cold water shock - even in warm weather, UK water is cold enough to cause gasping, panic and loss of control
- Hidden hazards - strong currents, deep water, underwater obstacles and steep banks
- Unpredictable conditions - water levels and flow can change quickly
- Slips and falls - wet edges and unstable ground increase the risk of falling in

Simple advice to share with pupils:

- Avoid entering open water
- Stay well back from the edge, especially around rivers, canals and reservoirs
- Don't take risks - especially for social media

Key reminders for parents:

- Talk to children about water safety
- Supervise closely near water
- Be aware of the risks
- Know where they are and what they're doing

If someone is in trouble:

- Call 999 immediately and ask for the fire and rescue service
- Do not go in after them
- Call for help
- Try to reach or throw something they can hold

Attendance reminder

A reminder that if your child has sickness or diarrhoea that they must not return to school for 48 hours from the last episode.

All illnesses & medical appointments need to be reported to the office for registering.

Football

Well done to our KS1 team who recently competed in a tournament. Please see message below from Ms Ottley.

A massive well done to our Year 2 football team who played in a mini football tournament last night!

The weather set it's own challenges with sun, then a huge downpour with added thunder! 🌩️ The children didn't flinch and showed real commitment and perseverance !

It was their first time playing as a team and they showed great enthusiasm, encouragement and team work.

Some truly fantastic football skills from our young players!

We came 2nd overall, with only 1 point in it!

I am incredibly proud of each and every one of them!

Thank you to the adults too who supported, whilst trying to find shelter from the rain under the trees! 🌳

From Mr Sellers.

A HUGE well done to our Year 6 football teams this year! 🏆👏

Both teams went into last night's fixtures with a chance of winning their respective leagues. Unfortunately, it wasn't quite meant to be, with the girls drawing 1–1 and the boys narrowly losing 1–0.

Despite the results, both teams have enjoyed an outstanding season and should be incredibly proud of everything they have achieved. To come so close to winning their leagues is a fantastic accomplishment and a reflection of their hard work, commitment and teamwork throughout the year.

The rainbow that appeared in our team photo seemed like the perfect way to mark the end of a wonderful season and celebrate two truly impressive teams. Well done, everyone! 🙌🏆👏

Compass

Can we please remind parents that school meals MUST be booked and paid for in advance on the Compass app/online otherwise there is a risk that your child won't get a lunch on that day due to the ordering system. This is especially important for parents of children in Y3-6. Please also remember to order the School Meal Option if they want a meal provided by school. Only pick the Home Sandwich option if your child is bringing a packed lunch from home. If you have any issues at all with Compass please contact the office and if you don't have a log in please let us know and we will be able to set you up.

Safeguarding

We believe that safeguarding children is everyone's responsibility. At Beardall Fields we are committed to keeping our children safe from harm. Mr Drayton, Miss Collins, Mr Fearn, Ms Ottley, Mrs Simpson and Mr Sellers are our Designated Safeguarding Leads (DSLs) and have responsibility for safeguarding and child protection. If we have any concerns reported to us, we will always take action to protect a child and inform the relevant agencies where necessary.

Supporting Learning At Home

There are several ways you can help your child with learning at home. Log onto any of the following sites we have subscribed to or pick up a book from The Reading Olympiad. If you have any questions about log in details or wish for work to be set for your child, please contact their class teacher.

Your child's new reading diaries should include:
