- **Fri 24th July: Last day at school**
- **Weds 2nd Sept: Return to school**
(Please see below for INSET DAYS 2026-2027)

Well done to all for making it through a very hot week. Despite the heat it has been a busy week in school, see updates below (with lots of water play, ice pops and cold drinks).

We are very much looking forward to lower temperatures next week.

Year 2 Residential

Our hottest trip yet! Year 2 enjoyed their visits to Sherwood Forest this week. The trees thankfully provided some much-needed shade and staff reported back that the youth hostel were amazing at

helping them to keep as cool as possible. We hope the children all enjoyed their first overnight trip away and have memories that will last a lifetime. Thank you to all the staff who made this trip such an enjoyable experience for all.

Year 1 - Chicks

The chicks in Year 1 have had lots of free time in make do pens this week due to the heat in their normal home. The children have all enjoyed interacting with them and will be sad to say goodbye to them when they are collected to be sent to their new homes.

Year 5

This week 5L delivered an assembly on Windrush Day, and the importance of the Windrush generation. Miss Daft was so proud of how confident they were speaking in front of an audience. Some of the work the children have produced really embodies the intent we have for our curriculum. The children were empathetic, curious and, above all else, kind.

Commando Joe

A lovely morning in the shade for Year 6 who completed a Commando Joe mission this week. The children worked brilliantly together and no matter how well they built their cover, still managed to get a little bit wet!

INSET DAYS 2026 – 2027

These have been set for the following academic year -

- **Tuesday 1st September 2026**
- **Monday 4th January 2027**
- **Monday 26th July 2027**
- **Tuesday 27th July 2027**
- **Wednesday 28th July 2027**

Broadening Horizons

Broadening Horizons Week (13th July-17th July) is fast approaching and has become an anticipated week for the children. This week forms a key part of the character education curriculum that we provide at school and was highlighted as a factor behind Ofsted rating our Personal Development offer as 'Strong.'

Earlier in the academic year, as part of our teaching of the British value of democracy, the children voted on what activities they would like to participate in.

The timetable for the week is as follows:

Monday 13th : Dr Dolittle production by Image Musical Theatre

Tuesday 14th : Visit by Sam Oldham, former GB gymnast and Olympic medallist and whole school non-uniform 'Dress as a career' day (suggested by our school council)

Tuesday 14th and Thursday 16th: Specifically designed Commando Joe careers mission

Wednesday 15th and Thursday 16th : Sponsored 'Tough Runner' event [Tough Runner - YouTube](#)

Wednesday 15th, Thursday 16th and Friday 17th : Virtual Reality Experience (Either Under the Sea or Animal Kingdom)

In addition to these events, throughout the whole week children will have a range of lessons developing their understanding of careers and what exciting opportunities lay ahead for them.

Today your child will bring home a letter specifically for the 'Tough Runner' activity as this is a sponsored event that requires parental consent in order to participate. Funds raised from the event will go directly to the event and raise money for new playground equipment (basketball net, built-in trampolines, play panels and interactive totems) and to directly reduce the cost of residentials to families. All support is very much appreciated.

We do hope you will share our excitement for what should be a fantastic week.

Summer Fayre

Our Summer Fayre is fast approaching and will take place on Friday 10th July from 1:45-4:00pm.

There will be a range of activities to enjoy including: inflatables on the field, a wide range of games run by our Y6s and staff, a raffle and food and drink.

Something for everyone!

There will also be a jumble sale in our school garden to showcase the Love Lisa x and the memorial garden to our community. We are requesting donations for this which can include: summer and winter clothes, coats+jackets, shoes, bric-a-brac and any other accessories. We are grateful for all donations but please do not bring any electrical items. Please bring any items for this between 29th June – 7th July. You are also invited to bring any prizes for our teddy tombola – always a popular stall – between these dates as well.

Finally on the day itself we will be having a non-uniform day in return for a prize for the tombola.

We do hope you will be able to join us on the day and thank you in advance for all your kind donations.

Compass

Can we please remind parents that school meals **MUST** be booked and paid for in advance on the Compass app/online otherwise there is a risk that your child won't get a lunch on that day due to the ordering system. This is especially important for parents of children in Y3-6. Please also remember to order the School Meal Option if they want a meal provided by school. Only pick the Home Sandwich option if your child is bringing a packed lunch from home. If you have any issues at all with Compass please contact the office and if you don't have a log in please let us know and we will be able to set you up.

Attendance

School Attendance Target	96 %
Attendance this week	95 %
Class(es) with the highest attendance this week	98 % - 2P & 4S

Safeguarding

We believe that safeguarding children is everyone's responsibility. At Beardall Fields we are committed to keeping our children safe from harm. Mr Drayton, Miss Collins, Mr Fearn, Ms Ottley, Mrs Simpson and Mr Sellers are our Designated Safeguarding Leads (DSLs) and have responsibility for safeguarding and child protection. If we have any concerns reported to us, we will always take action to protect a child and inform the relevant agencies where necessary.

Supporting Learning At Home

There are several ways you can help your child with learning at home. Log onto any of the following sites we have subscribed to or pick up a book from The Reading Olympiad. If you have any questions about log in details or wish for work to be set for your child, please contact their class teacher.

Your child's new reading diaries should include:

- Mathematics (Reception-6)
- Times Table Rock Stars (Y2-Y6)
- Reading Eggs (Reception-Y2)
- Purple Mash (Nursery-Y6)
