Playground equipment

Please take extra care on the playground this week (near the Nursery) whilst the new playground equipment is installed. It will be fenced off but just to make you aware. Hopefully the weather will be nice enough for a speedy finish!

Allotment update

This afternoon, we had a special delivery of two apple trees, which have been donated by Biffa, a recycling and waste management company. Their Organics team are donating trees to local community groups and schools to promote sustainable living and to encourage bees into the environment. Some children from 5S helped the team at Biffa plant the trees in our allotment - we can't wait to watch them grow!

Girls Football

Our Year 5/6 girls football team beat Annesley Primary School 7 – 0 on Monday in their semi-final match, we are all so proud of them! The final will be held on Thursday 9th May, all welcome to come and support. Kick off will be on the field at 3.30pm.

Staying Safe Online

Skips Safety Net Keeping children safe online

A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
