## Sponsored Hair Cut

Isabella – 4H – Please support a SUPERHAIRO ♀ – The Little Princess Trust

The Little Princess Trust provides real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment or to other conditions such as Alopecia.

The charity is also one of the largest funders of childhood cancer research in the UK. The Little Princess Trust relies solely on the generosity of its wonderful supporters who help the charity give Hair and Hope to so many children and young people with cancer each year.

It costs The Little Princess Trust £700 to provide one child or young person with a real hair wig and we currently help more than 2,000 children every year.

Isabella - I've been growing my hair for a few years now. Last year I decided I wanted to donate my hair to the Little Princess Trust, so I've not had it cut since 2023! Thank you for anything you can donate for such an amazing cause and charity ❤️

## Sponsored Run Outdoor Fitness Equipment

We are pleased to say that the equipment the children voted to spend our sponsored run fundraising money on will be installed after the Easter holidays. This means children across school will be able to make use of them in the months and years to come.

## Problem Solving Company

Our Service Children enjoyed an afternoon with the Problem Solving Company this week. They had to show a range of qualities in order to be successful including teamwork, resilience and critical thinking.

Children in reception also engaged in the activities. The children were so engaged with all the activities and modelled excellent teamwork. The instructor was so impressed with our listening skills, and he said, "Reception have better listening skills than some teenagers!"

Well done to all the children for some superb efforts and thank you to Mrs. Downs for organising the event.

### A Parent's Guide to Cyberbullying

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
