E-Safety Week

This week was E-Safety Week with the children watching, listening and discussing a number of ways in which to keep themselves, and others, safe online. A reminder for all parents and carers that we can offer support and guidance in how to ensure your child is watching age-related content.

Parent Drop In

It was wonderful to see so many of you at our drop in after school on Monday. The children get a huge amount out of showing off their work to you so thank you for your support. If you were unable to attend we have our Parents' Evenings next half-term with bookings now live on your child's ClassDojo page.

Sponsored Land's End to John O'Groats Run

We raised a staggering £5,000 from our sponsored run. The children voted this week by a substantial margin to get fitness equipment. The process of getting this equipment has already started.

Thank you once again for your incredible, incredible support both during the week and the weeks following.

Upper Key Stage 2 Leader

Congratulations to Miss. Simpson who was appointed to the Upper Key Stage 2 (Year 5+6) post this week. She will take up her post after half-term.

Beardall Field Governing Body

Our governing body works very hard to ensure the standards of education in our school are raised, providing both support and challenge for our school leaders. Please follow the link below to find out more about who are governors are and for governing body minutes. We will now share on our newsletter what the governors have been doing in school and a little bit more about them.

Last week/this week:

Governors met with school leaders around the progress for our School Improvement Priorities this year, supported the appointment of a new phase leader and attended the formal Strategic Governors meeting.
