Upcoming dates:

- Y3 Nottingham Castle Trip **30th January**
- NSPCC Rocks Day – Friday 2nd February

Careers Talks

We are in the process of arranging some career talks for the children to increase their awareness, broaden their horizons and inspire them for the future. If you, or someone you know, are interested in talking to the children about your career (past or present) we would love to hear from you. Please contact Mr. Drayton via ClassDojo or sdrayton@beardallfields.org.uk for more information.

Upcoming Sponsored Land's End to John O'Groats Run

As part of our continued fundraising for school playground equipment, Beardall Fields PTA have organised a sponsored school run. We will be **collectively** running the distance from Land's End to John O'Groats – a distance of **1,084 miles**. Each lap the children complete will contribute to our school total. As seven laps of the coloured footprints around the playground equals one mile, this means as a school we will be completing **7,588 laps**. All children will be encouraged to complete as much as they can but with what they are comfortable doing. Should we be successful each child will receive a certificate of completion and will also receive a school medal for completion.

The letter and sponsorship form has come home with children this week and we hope you will support us in what should be an exciting event for the children.

Parents' Evening Survey - last few days

We would like your views on our parents' evening online booking system. Please complete our short survey to give us your feedback <https://forms.office.com/e/crj8S6hYBL>

Parking

The parking outside of school is causing real concern. Please do not park on the yellow lines as we need to ensure all of our children are safe leaving school. Please be aware Civil Enforcement Officers regularly patrol our area.

NSPCC Rocks Day

As part of NSPCC Number Day 2024, we are excited to announce that we will be holding our **FIRST EVER** Beardall Rock Star Day. This will take place on Friday 2nd February. Alongside this, we will be taking part in the *TTRS Rocks* competition, as well as holding an internal school competition for the entire week commencing 29th January.

We encourage the children to come to school dressed as 'rock stars' on Friday 2nd February - we will be accepting voluntary £1 contributions for the NSPCC charity. This does not need to be an expensive undertaking (face paint, tie around the head, inflatable instrument etc.). There will be prizes for the most inventive costumes and certificates for the *TTRS* competition winners. We look forward to 'rocking out' with you!

PTA Disco

The PTA are in the process of organising a disco for the children across school in February. If you, or anyone you know, are interested in being our resident DJ for the event please get in touch. More details to follow on the event soon.

Superstars!

Congratulations to Olivia who received a star player trophy for her performance last weekend. She was awarded it for truly dedicated defending.

We also loved seeing Evie's art work that she showed her peers in our whole school assembly on Monday. As our theme of the week was dedication we were very, very impressed with the obvious commitment she had shown in creating the two pieces.

Well done to them both!

Sporting Champions

A huge well done to our year 4 and 5 basketball team who won tonight's tournament against 5 other schools, winning all 4 games! The girls represented the school amazingly and showed great sportsmanship throughout every game. Thank you to Miss. Dornan and Mrs. Downs who gave up the time for the children last night.

Holiday Clubs

Please find attached flyers for upcoming holiday clubs if they are of interest to you.

Beardall Field Governing Body

Our governing body works very hard to ensure the standards of education in our school are raised, providing both support and challenge for our school leaders. Please follow the link below to find out more about who are governors are and for governing body minutes. We will now share on our newsletter what the governors have been doing in school and a little bit more about them.

Sponsored School Run: Land's End to John O'Groats

As part of our continued fundraising for school playground equipment, Beardall Fields PTA have organised a sponsored school run. We will be **collectively** running the distance from Land's End to John O'Groats – a distance of **1,084 miles**. Each lap the children complete will contribute to our school total. As seven laps of the coloured footprints around the playground equals one mile, this means as a school we will be completing **7,588 laps**. All children will be encouraged to complete as much as they can but with what they are comfortable doing. Should we be successful each child will receive a certificate of completion and will also receive a school medal for completion.

The event will take place during the school week of 22nd January. Updates on our progress will be given daily. We ask that all sponsorship money is to be returned to school before Friday 2nd February.

The aim of running a mile (or more) is to improve the physical health and wellbeing of our children, to promote positive healthy lifestyles and to inspire them to challenge themselves to become more active throughout the school day.

Please find attached sponsorship form where you can sponsor a total amount or an amount per mile. We envisage our younger children completing a mile and our older children completing between 1-3 miles. All money raised will be put towards prospective playground equipment (see pictures below) so please ask family and friends to give generously! 😊

Prospective Playground Equipment

There are a number of different pieces of equipment we are fundraising towards for all children to use here at Beardall Fields. Our sponsored run and future PTA events will go towards these projects.

Additional shooting games

Child-friendly fitness

Allotment trail, shade and creative seating

Embankment nets and ramps
