### Last week – Seaside Day

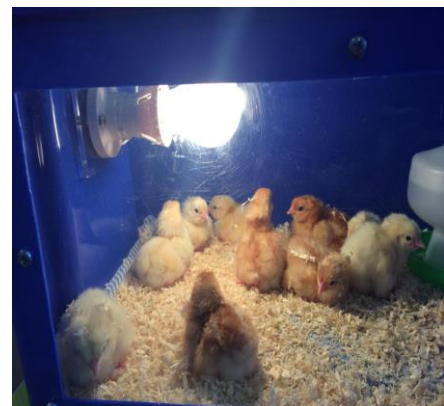

Last week we missed updating you on a very exciting seaside day our Reception & Nursery Class experienced. They played hook a duck, tin can alley and ball in the hole games and enjoyed using the beach and paddling pools. They also enjoyed a special visit from Mr Whippy, ate chips with tomato sauce and then had a large drink of fresh lemonade.

‘It was the best day ever!’ said many of our wonderful Reception children!

### Year 1 Chicks

Year 1 have new friends in their classroom this week! On Monday each class had 10 eggs delivered and have enjoyed watching them hatch and grow this week. Next week the children will be able to hold them and watch them play. They will be collected at the end of next week by the Living Egg company who will re-home them. This is an amazing experience for the children (and staff!), and one they enjoy each year.

### Year 6 – Trent Bridge!

This week Year 6 have visited Trent Bridge. In the morning, they spent time learning about the history of cricket, cricket around the world and local history. In the afternoon they enjoyed a cricket session with training and game play.

### Buddy Club

Our children from military families had an afternoon of army engagement. Thank you to our visitors who came and set up obstacle courses for them with cargo nets and giant puzzles.

## ELS Reading Books

We are moving away from using the Education Library Service in school. We therefore need to return any books that we have borrowed from them over the last few years. We are missing a number of books. Could you please take the time to check your bookshelves at home for any books that have a yellow ELS sticker on the spine or a yellow county library insert inside the front cover. If you find one, please return it to school. Thank you.

Outside of school

An exciting opportunity with ITP Aero...

Funded by ITP Aero, this summer camp gives kids hands-on coding experience through fun workshops where they design, build, and bring their tech ideas to life.

Kids will explore coding through fun screen-free and digital activities!

Children will need to bring a laptop or tablet. However if this is an issue please get in touch.

They'll take part in unplugged activities, learn to code, and even get a behind-the-scenes look at the ITP Aero factory in Hucknall!

They'll also need a packed lunch and a snack for break times.

For children aged between 8 - 11 years.
