Sports Days

Well done to Nursery and Reception Classes who have had their sports days this week. They all enjoyed joining in with the games and we hope parents enjoyed watching. It is so lovely to see them all encouraging each other, and our older children as sports ambassadors helping them.

Mathletics

Some of our amazing Year 6 children have been in to Year 1 this week to help them with a Mathletics competition. Each year 1 child was partnered with an older pupil and the staff said it was heartwarming to watch how they worked together. Year 6 were treated to a visit from the class chicks!

It went amazingly well, as always and they were blessed with nice weather. Staff on the trip said it was, "A pleasure to watch how kind, compassionate, empathetic, respectful and thoughtful they all were." Pupils have said they didn't stop smiling and laughing and had so much fun, playing with their friends, den building, climbing and exploring.

Year 4 PE

Year 4 have enjoyed learning some new skills in their P.E session with Mr Ward this week. Both classes enjoyed playing Boccia and he was impressed with their skills!

Year 5 Local History Visit

Year 5 had a fabulous morning out in Hucknall, looking at buildings old and new. They visited St Marys church and looked at examples of art and architecture there. It will help with their big question which is 'How do buildings speak for themselves?'

Transition Days

Next Thursday (3rd July) children will spend the day with their new staff in their new classrooms from September. All children will go straight to their new classrooms in the morning and spend a day doing a variety of different activities to get to know both their new staff and classmates. Staff will be on hand for both morning and collection to help if you are not sure of where to go.

Good Luck to our Year 6 children who are going on their transition days to Holgate & National next Wednesday & Thursday. Some children attending other schools have already had theirs, and we hope they had an amazing time. It is such a big change but one we know they are ready for.

Wear It Wild Day – Friday 11th July

Through our school council, the children have voted to raise money for WWF. This will take the form of a 'Wear It Wild Day' where, in return for a donation, children can come dressed as an animal to school.

Other fundraisers or activities on the day include:

- *A Commando Joe scenario based on protecting and saving endangered animals
- *Guess the number of pandas challenge
